

Creativity in Motion

Need a Fun Challenge for your Activity Day?
Creativity in Motion will come to you!

We supply the materials and the problems, you supply the imagination.
All sessions are suitable for Elementary, Middle or High school grades and are adapted to appeal to each age group.

1 Hour Session

- * Spontaneous Problem Solving
Students rotate through a series of 4 stations of different problems including building, communication and team dynamics with time for feedback
- * Animal Fun
What makes a Bear a Bear? Is it what it looks like? What it eats? What it does all day? Find out as you complete a challenge to make a costume
- * Make a Band
Create your own musical instruments, play and sing along

2 Hour Session (all of these are also offered as full day activities)

- * Team Building (Indoor or Outdoor (with water activity))
From working alone to working with a small group on a Creative problem that increases in complexity, children learn the value of teamwork
- * Drama Workshop
Learn how to make a play spectacular. MAD CLAPS will help to make it ready for the bright lights!
- * Building
Learn the three types of bridges then decide and build the best one to complete the challenge.
- * Inventions
Build a prototype using indirect power to accomplish a task. Sounds simple? Not!

Average cost is \$60 per hour. We will be creative to meet your needs
