

Props, Problems, Plots, and Prototypes

Are you a BUILDER?

Are you a WRITER?

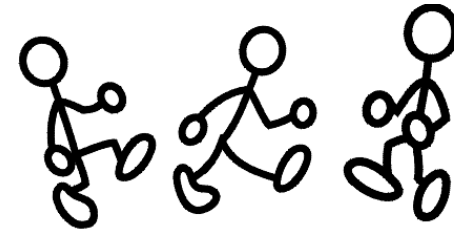

Are you an ACTOR?

Are you an ARTIST?

Are you ready for some FUN?

Each day begins at 930am and
ends at 3pm. In between
YOU

will make some
amazing things and create a
magical experience.

Think, Make and Act

What IF a car moved
without wheels?

What IF a duck had blue feet?

What IF a bridge weighed less
than the load it carries?

The activities vary every day!
Think, Make and Act our
Jabber-Wacky triplets will dream up
all kinds of spontaneous problems.

You'll make things that go zoom!

You'll build towers and bridges with
balsa wood!

You'll explore inventions and
make a prototype!

Lights! Camera! Action!

Learn the basics of what
makes a great production
then use these skills to
build your own.
